### MANSFIELD PRESENTS FIRST LECTURE OF SERIES FRIDAY

MISSOULA--

Senate Majority Leader Mike Mansfield will be at the University of Montana Friday to present the first of the Mike Mansfield Lectures on International Relations.

The Montana Democrat, who is a graduate of the University and a professor on leave, will speak on "China: Retrospect and Prospect" at 10:30 Friday morning in the University Theater. The lecture is open to the public without charge.

The lecture series, which is designed to bring authorities on international affairs to the Missoula campus, is funded by the Mike and Maureen Mansfield Endowment of the University of Montana foundation. The endowment was begun this year in honor of Mansfield's 25 years in Congress and to commemorate the 75th anniversary of the University.
